

# AFGHAN LEARNING PROGRAM (ALP)

Supporting Afghan Women through practical education, modern training, scholarships, and accessible fees.

## COURSES:

### **CERTIFICATE IN ENGLISH LANGUAGE (CEL)**

A six-month program for children aged seven to twelve.

In these attractive and standard classes, your children can learn English in a completely engaging and standard way and be able to speak English in a short period.

### **DIPLOMA IN ENGLISH LANGUAGE (DEL)**

A one-year program for youth and adults.

In these classes, you can learn various skills in reading, writing, speaking, and listening, and after one year, you will have complete command over all English language skills.

### **TOEFL PREPARATION**

If you want to get a good score in the TOEFL exam, our two-month TOEFL preparation courses will fully prepare you for this exam so that you can apply for your desired scholarships and jobs with an excellent score.

## SPECIAL SPEAKING CLASSES

By enrolling in the three-month English conversation classes, you can speak English with full confidence and have no fear of speaking in English.

### Features

- Separate classes for women
- Female professors
- In-person and online classes
- Free Wi-Fi

## ACADEMIC WRITING

Your three-month scientific writing classes will help you write texts, documents, articles, and various proposals in a standard way and express your ideas in meaningful texts.

## INTERNATIONAL CERTIFICATION OF DIGITAL LITERACY (ICDL)

The four-month ICDL courses, with practical lessons and a globally recognized certificate, help you fully utilize computers in administrative areas and face no issues in computer usage.
